College of Science
University of the Philippines, Diliman, Quezon City

Climate Change

- ❑ Is this climate change?
- ❑ What do we NEED to do now?

Climate Change Project

- Series of meetings being conducted nationwide (e.g. Davao, Zamboanga, Tuguegarao, Calbayog, Iloilo, Mamburao)
- Initiated by UP-NIGS, funded by and coordinated with PCIERD-DOST
- Support from: PAGASA, MGB, private sector
- Targets to inform stakeholders regarding climate change and related issues

Climate Change

- ❑ Mitigation
- ❑ Adaptation
- ❑ Technology transfer
- ❑ Financing

Expectations

Formulation of adaptation strategies, especially disaster risk management, at the grassroots level

Thank you!
